

Follow up email after sending a proposal: 13 templates

Last checked 5 October 2026. Fill in the [BRACKETS] with your own facts.

Day 2 to day 7

Day 2: did it arrive?

Subject: Proposal for [PROJECT]: did it arrive?

Hi [NAME],

I sent the proposal for [PROJECT] on [DAY]. I wanted to check it reached you. Is there anything in it you would like me to explain?

[YOUR NAME]

Day 3: they opened it but have not replied (only if you can really see this)

Subject: Proposal for [PROJECT]

Hi [NAME],

I have no way to know what you thought, so I will ask: is there a part of the proposal that needs another look? I can change [THE MOST LIKELY PART] if that helps.

[YOUR NAME]

Day 7: one added fact

Subject: Proposal for [PROJECT]: one more thing

Hi [NAME],

One thing I did not put in the proposal: [A CASE, A DATE OR AN OPEN SLOT, ONLY IF TRUE]. Does that change anything for you?

[YOUR NAME]

The next ten days

Day 7: answer the common question first

Subject: Proposal for [PROJECT]: the usual question

Hi [NAME],

People often ask me [THE COMMON QUESTION]. The short answer is [ANSWER]. If your question is a different one, tell me and I will answer it today.

[YOUR NAME]

Day 10: offer a 15-minute call

Subject: A quick call about [PROJECT]?

Hi [NAME],

Would 15 minutes on [DAY] or [DAY] help? I will go through the proposal with you, and you can say what to change. If email is easier, send me your questions.

[YOUR NAME]

Day 14: close the loop

Subject: Closing the file on [PROJECT]?

Hi [NAME],

Nothing has come back, so I will close this file for now. If the timing was only bad, one line from you reopens it. Thanks for reading the proposal.

[YOUR NAME]

What they say back

"We need to think about it"

Subject: Proposal for [PROJECT]: your thinking time

Of course. What would help you decide: a different scope, more detail on [PART], or a call with [PERSON]? I will leave it until [DATE] and write then, unless you tell me sooner.

"It is over budget"

Subject: A smaller option for [PROJECT]

Thank you for being clear. I can cut it to [SMALLER SCOPE] for £[AMOUNT]. That removes [WHAT IS REMOVED]. If your budget is nearer £[AMOUNT], tell me and I will see what fits.

Silence after a good meeting

Subject: After our meeting on [DATE]

Hi [NAME],

Our meeting on [DATE] went well, and then it went quiet. Did something change? If the proposal is not right, I would like to know what would make it right.

Sent to several people at one company

Subject: Proposal for [PROJECT]: who decides?

Hi [NAME],

I sent the proposal to you, [NAME] and [NAME]. Who is the best person for my follow-up questions? I do not want to write to the whole group each time.

A bid with a stated deadline

Subject: Bid for [PROJECT]: question before [DATE]

Hi [NAME],

Your deadline for decisions is [DATE]. Before then, is there anything in my bid you would like clarified? I will answer within [TIME] of your message.

They chose someone else

Subject: Thank you for considering us

Hi [NAME],

Thank you for letting me know. If you are happy to say, what decided it? I would like to learn from it. If your plans change, I would be glad to hear from you.

They say yes

Subject: Next steps for [PROJECT]

Hi [NAME],

Thank you, I am glad to start. Next: [STEP ONE] by [DATE], then [STEP TWO]. I will send the first invoice today. If anything changes before [START DATE], tell me.
