

One on one meeting questions for managers: 24 to ask, by purpose (2026)

Last checked 5 October 2026. Fill in the [BRACKETS] with your own facts.

Starting the meeting

How has this week been for you?

What is on your mind right now?

Workload and priorities

What are your top three priorities this week?

Progress and blockers

What is going well on [PROJECT]?

Feedback for you

What is one thing I could do differently to help you?

Is there anything I do that makes your work harder?

What motivates them

Which part of your work do you enjoy most?

Career and growth

Where would you like to be in two years?

Decisions and ownership

Which decisions would you like to make on your own?

Which decisions do you want me involved in?

Working with the team

Team

Who on the team do you find it easiest to work with, and why?

Team

Is there anyone you need more time or information from?

Team

Where do handovers between you and other people go wrong?

Team

What would make our team meetings more useful for you?

Time and tools

Time

Which part of your week feels most wasted?

Tools

Which tool or process slows you down the most?

Time

If you could stop doing one thing, what would it be?

Planning

If you could change one thing about how we plan the week, what would it be?

Recognition

Recognition

What piece of work from the past month are you proudest of?

Recognition

Who helped you recently? I would like to say thanks.

Recognition

How do you like to hear that you did well: privately, or in front of the team?

Closing the meeting

Closing

What do you need from me before we next meet?

Closing

What did we not get to that you want to cover next time?

Closing

What is one thing we agree to do before next time?
