

Sales follow up email template after a quote or meeting: 10 to copy (2026)

Last checked 5 October 2026. Fill in the [BRACKETS] with your own facts.

Four basic templates

After you sent a quote or proposal

Subject: Your [QUOTE OR PROPOSAL] for [PROJECT]

Hi [FIRST NAME],

I sent the [QUOTE OR PROPOSAL] for [PROJECT] on [DATE]. Do you have any questions about [PRICE, SCOPE OR TIMING]?

I can go through it on a short call, or answer by email. Whichever is easier for you.

[YOUR NAME]

After an enquiry from your website

Subject: Your question about [PRODUCT OR SERVICE]

Hi [FIRST NAME],

You asked about [PRODUCT OR SERVICE] on [DATE]. So that I can point you to the right option, could you tell me [ONE QUESTION ABOUT THEIR SITUATION]?

I will reply with [WHAT YOU WILL SEND].

[YOUR NAME]

After a call, with the next steps

Subject: Next steps from our call on [DATE]

Hi [FIRST NAME],

Thank you for the call on [DATE]. As we agreed: you will [THEIR STEP] by [DATE], and I will [YOUR STEP] by [DATE].

If I have got anything wrong, tell me and I will correct it.

[YOUR NAME]

When a lead has gone quiet

Subject: Still on your list: [TOPIC]?

Hi [FIRST NAME],

When we spoke on [DATE], you said [WHAT THEY SAID, IN THEIR WORDS]. Has that

changed, or is it still something you want to do?

Both answers are fine to hear. If the timing is wrong, I can write again in [MONTH].

[YOUR NAME]

After a trial, a referral or a question

After a free trial ends

Subject: Your trial of [PRODUCT] ends on [DATE]

Hi [NAME],

Your trial of [PRODUCT] ends on [DATE]. I saw that you [WHAT THEY DID, ONLY IF YOU CAN SEE IT]. Did it do what you needed? If not, tell me what was missing and I will give you an honest answer, even if it is that we are not the right fit.

[YOUR NAME]

After a referral or introduction

Subject: [REFERRER] suggested I get in touch

Hi [NAME],

[REFERRER] suggested I write to you about [TOPIC] and said you were [WHAT THEY SAID, WITH PERMISSION]. I wrote on [DATE] and wanted to follow up. Would a 15 minute call on [DAY] suit you? If not, I can send a short summary by email instead.

[YOUR NAME]

They asked you to send more information

Subject: The information you asked for on [TOPIC]

Hi [NAME],

On [DATE] you asked me to send more information about [TOPIC]. I did, and I want to make sure it reached you. The two pages that matter most are [PAGE OR SECTION] and [PAGE OR SECTION]. What would you like to know that it does not say?

[YOUR NAME]

Existing customers and events

A renewal check-in with a customer

Subject: Your [PRODUCT OR SERVICE] renews on [DATE]

Hi [NAME],

Your [PRODUCT OR SERVICE] renews on [DATE]. Before then, I would like to check how it has gone since [START DATE]. Is there anything you would change? If you want to

change your plan or stop, tell me by [DATE] and I will take care of it.

[YOUR NAME]

After a price question

Subject: Re: your question about price

Hi [NAME],

You asked about price on [DATE]. The answer depends on [WHAT IT DEPENDS ON]. For [THEIR SITUATION], the cost would be [PRICE, IF YOU CAN STATE IT]. If you tell me [ONE FACT], I can give you a firm number today.

[YOUR NAME]

After meeting at an event

Subject: Good to meet you at [EVENT]

Hi [NAME],

Good to meet you at [EVENT] on [DATE]. You mentioned [SOMETHING THEY SAID]. I wanted to follow up on that, and I think [ONE RELEVANT THING] could help. Would a short call on [DAY] suit you?
